Hi Sarah,

Sorry for not getting back to you sooner. Our current thinking is that, like we have done in the past, we will pre-fund the May 2013 payment. We will issue invoices in January and then will deposit whatever we have collected in advance of May and the balance on the May due date.

Also, we recently received a budget update and it looks like we will be submitting a proposal to you for a revised performance guarantee. We need approval from the Group next Tuesday, but the revised proposal will likely include a bump for the May 2013 payment.

Dawn,

I can't help but notice that with this round of invoices, the amount in the RI/FS trust account will be perilously low. I can't imagine it will last until May 2013. Am I wrong? What are the CPG's thoughts about this?

Thanks.

-Sarah
